Wyvern is a large infant school and nursery situated in the heart of Wolverton. The school is set in historical buildings with an established sense of history. We have a bright and enthusiastic bunch of children and a large, supportive staff team who work closely together; sharing planning and teaching workload to make the best of a difficult job.

We are looking for an Assistant SENDCo who has a passion for SEND and teaching, is enthusiastic, energetic and who works well in a team - a sense of humour is a must!

This role would involve leading in our internal intervention room for children with ASC and supporting our Inclusion Manager.

Come and meet us, and the team at Wyvern and you'll see how driven we are to succeed and the opportunities that we can offer.

We look forward to meeting you!
