FS1 Spring 1 Curriculum Newsletter

Dear Parent /Carer

We are very pleased with how well the children have all settled into Wyvern Nursery. They have enjoyed exploring the different areas of the Nursery environment and engaged in many learning activities. The children are getting used to the routines in school and are becoming more independent at finding their belongings and putting on their coats. The children are also beginning to make lovely friendships and have developed positive relationships with the adults. Our topics this half term are 'Chinese New Year', 'Winter 'and 'Traditional Tales."

We hope you are finding the children's online learning journal easy to access via Seesaw.

Thank you for your ongoing support.

Subject Overviews

Writing

This term we will continue to provide opportunities to develop fine and gross motor skills. There will be activities that will strengthen the children's muscles ready for writing. They will still have the opportunities to mark make using a wide range of media including crayons, paint, markers, pencils and through our messy play. We will also start to practise writing our names.

Reading

We will share stories related to our topic this half term. Some of the stories we will read together are 'The Runaway Wok', as well as traditional tales such as 'The Three Little Pigs, The Little Red Hen' and 'The Enormous Turnip'. We will continue to develop our rhyming and alliteration which are important pre-reading skills. We will also be continuing our environmental phonics learning where we will listen to familiar sounds around us, create sounds using instruments and our voices, and start to identify the initial sounds in words. Children will be encouraged to re-tell the traditional tales that we have been learning. Children will re-tell and create their own stories through role play and story props.

Maths

In Maths, we will continue to practise counting numbers 0-6. We will explore numbers through their different representations, 1:1 correspondence and subitising. We will compare numbers to 6 by saying which has more or less when looking at quantities. We will start to look at writing numbers and solving real world maths problems. The children will also be introduced to measure by looking at height, length and capacity.

Topic

We will explore the celebration of 'Chinese New Year' through a variety of activities and experiences. Through our Winter topic we will explore snow and ice and learn about animals that hibernate and then we will finally move on to explore a variety of Traditional Tales.

Mrs Presswell
FS1 TA

Personal Social and Emotional

The children will talk about how they feel in the cold and why we need to keep warm. They are learning how to take turns and share. The children will be encouraged to use their words to resolve conflicts. They will think about their feelings through stories and play.

Communication and Language

The children will be introduced to new words associated with winter as well as the vocabulary from the Traditional Tales. The children will begin to answer 'why' and 'how' questions in relation to our learning. We will be encouraging children to speak in full sentences and to explain their answers further.

Physical Development

During their PE lessons, children will continue to explore gymnastics and making different shapes with their bodies. They will practise climbing over, under and through equipment, using benches and tunnels. Our weekly PE sessions will be linked to our topics. Children will also use movement and animal poses to develop their strength ready for writing.

Understanding the World

We will look at where China is in the world and learn about how Chinese New Year is celebrated in China and England. The children will also be baking and watching to see how bread changes states as we mix, prove and bake it like Little Red Hen.

Expressive Arts and Design

The children will explore our topics using a range of media such as paint, markers, and collage materials. They will develop their awareness of sounds made by various instruments by playing instruments alongside a story. They will be making loud and quiet sounds with their voices and instruments. Children will be encouraged to retell Traditional Tales using props and small world resources.

Parent Reminder:

- ✓ **Please put water in water bottles not juice.**
- ✓ **Please label all clothing to help the children keep track of their belongings.**
- ✓ **Please help your child to be as independent as possible when putting on and taking their coats off.**
- ✓ **PE days are Tuesday PM and Friday AM**

Reading at Home

Please practise with your child finding and recognising their name. Also, please continue to share stories with your children at home. Ask the children to explain what has happened in the story.

Encourage them to re-tell and story in their own way or challenge them to predict the story ending. Here are some helpful questions to ask while you are sharing a story:

Where did the story take place?

What happened next? Who was in the story?

How did he/she feel?

What is your favourite part?

Can you tell me the story in your words?

Would you tell your friend to read this story? Why or why not?

Upcoming Events in Spring 1

- Friday, 14th February 2025– End of Term

ATTENDANCE REVIEW

AUTUMN TERM

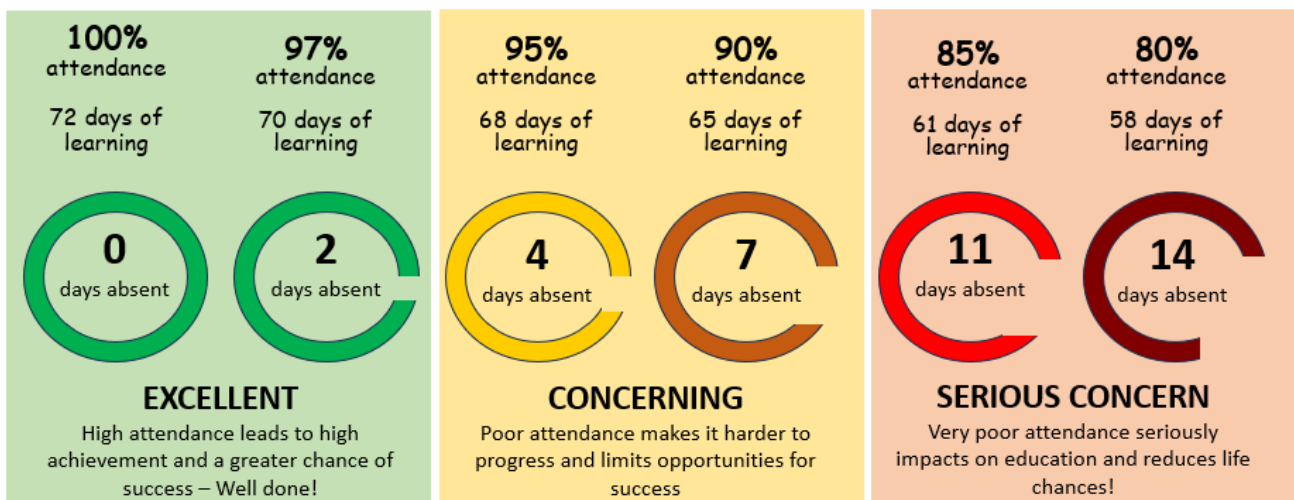

73 possible days

As you know, pupil attendance is very important and is a focus on schools from both the government and the local authority. In terms of our drive to raise awareness, please see below our classes' average attendance. Thank you for all of your efforts to get the children in everyday does make a difference. Please can we encourage you to keep it up for the summer term.

Whole School Attendance

Nursery Attendance

Be the best you can be.
