### MID MORNING DRINK ARRANGEMENTS

Children in Nursery (FS1) and Reception (FS2) are offered a mid-morning drink. There is Government funding to provide a carton of milk for all children under the age of 5 years. The scheme is operated by a company called 'Cool Milk'.

If you wish your child to continue with milk after his/her fifth birthday, Cool Milk will invoice you direct. This invoice needs to be paid to the company (approximately £5 per half term).

Please indicate your preference below, please tick as applicable:

- My child will require  milk.

You will need to register online if you wish your child to be provided with a carton of milk per day. This needs to be done as soon as possible in order for the milk to be available from September. Alternatively, you can complete the attached form and send directly to Cool Milk. Please note you need to deal directly with Cool Milk as this is not administered by school.

- My child will bring their own water bottle to  school.

These activities may include, for example, visiting Wolverton Library, the Community Orchard, local shops and other amenities. Parents & carers will be advised of the activities their children will be undertaking in advance, but the school will not seek specific signed permission for every one of them.
