Both Bushfield and Wyvern continue to work closely together. This year we are looking at strengthening the curriculum links between the schools. We are excited to provide a seamless education for your children through the primary phase while retaining what made both schools individually special.

## Wyvern School

Wyvern is going from strength to strength – its official, even Ofsted said so!

The school is “good” with highly effective teaching and we are rightfully proud on what has been achieved.

If your child will be starting junior school in September 2020, we will be holding two open mornings on Wednesday 20<sup>th</sup> November and Thursday 21<sup>st</sup> November 9.30am until 10.30am, please do come down to see us, and have a tour of the school. We will also be holding an information evening on Thursday 21<sup>st</sup> November at 5.30pm until 6.30pm in the hall. We look forward to seeing you!

## Bushfield School

We have had an extremely successful year and wanted to share our results with you. Once again our results are well above the national average across the board and continue to build year on year. We are so proud of the hard work our pupils put in to achieve these results. The staff here work tirelessly to support and help each and every child to ‘be the best they can be’. There is more information about our results and upward trends displayed on our website under the ‘Results’ section.
