Dear Parents/Carers,

Please can we remind you of a few process that are in place to protect you and the pupils:

- Please **follow the floor markings** on school sites
- Please **stay back from entrances/exits** to enable safe use with appropriate distance
- Please only have **one adult collecting** children from the schools
- Please **keep siblings close** to you so that social distancing is maintained
- Please **keep all children off the play equipment** when on school site

Covid-19 related pupil absence, do not send your child in to school if they have any of the following symptoms:

Covid-19 symptoms

- ☐ **HIGH TEMPERATURE** – temperature above 38C using a thermometer. This means you are hot to the touch on your back or chest
- ☐ **A NEW CONTINUOUS COUGH** – this means coughing a lot for more than an hour or 3 or more coughing episodes in 24 hours
- ☐ **A LOSS OR CHANGE TO YOUR SENSE OF TASTE OR SMELL** – this means you've noticed that you cannot taste or smell anything or things smell or taste different to usual

If you are unsure about your child's symptoms, please follow the advice below or call 111
