2nd November 2020

Dear Parents/Carers

We hope that you have had a nice half term break and are ready for the new half term ahead. We wanted to take this opportunity to thank you for all of your support since September. We know that while everything is still not quite as normal in school, the children have settled and enjoyed having familiar routines. Thank you also for continuing to follow the measures we have put in place for protecting the school community at the beginning and end of the school day. We really do appreciate you continuing to work with us at this difficult time during the Covid-19 pandemic.

In response to the rising number of cases nationally and the impending national lock down, we have decided to request that parents and carers wear a face covering when you come onto the school site to drop off and collect your child. As well as continuing to follow our existing protective measures including maintaining 2m distancing, following one way systems and ensuring, wherever possible, only one adults collects a pupil.

In line with this, we have also asked the staff to be wearing face shields/face coverings at the beginning and end of the day.

We appreciate it is not yet a Government guideline to wear masks in outdoor environments but hope that you will understand our reasons for requesting your support. In the circumstances of you being exempt from wearing face coverings in other settings, this will also apply to the request at school. Nobody with exemption is required to wear a mask on the school site.

Thanks again for your continued co-operation. Please do remember that staff still want to engage with you and we are happy for messages to be passed via the School Office by telephone and email in circumstances where you may not be able to have a face to face conversation.

We are looking forward to seeing all the children again tomorrow.

Best wishes

S Springett-McHugh
